A message from the **HEAD OF SCHOOL**

Dear Kingsley Community,

The 2021-2022 school year was remarkable in many ways. We welcomed the return of beloved in-person traditions, including the Design Fair, Model United Nations, Kindergarten Marathon, and Grandfriends' Day. We were enriched by new community activities, like Fall Fest, Around the World, and our Giving Day "Thanks a Bunch!" Reception. And, we sustained cherished demonstrations of our core values, like Sixth Grade Senior Projects and student drives for local charitable organizations. Finally, this past year planted the seeds for an elevation of Kingsley's mission delivery, dovetailing with the upcoming 85th anniversary of our school's 1938 founding.

The dedication and enthusiasm of our families, students, faculty, staff, alumni, and friends provided powerful momentum for another year of record-breaking fundraising in support of our mission. Together, we raised over \$1.3 million dollars for the Annual Fund, financial aid, and a new mathematics initiative. Your generous gifts of all sizes and kinds helped achieve this milestone.

You enable Kingsley to provide the gold standard in a Montessori-rooted, child-centered, enduring education in the heart of the Back Bay.

This report provides a glimpse of what we accomplished together last year. It precedes the release of our new Strategic Plan, which will guide our future work together. It comes with my heartfelt personal gratitude as well as tremendous enthusiasm for the opportunities ahead of us.

Thank you, Kingsley, for your ongoing support, creativity, and dedicated partnership on behalf of our students, faculty, community, and mission.

With appreciation,

Steve

A message from the **BOARD & DEVELOPMENT CHAIRS**

Dear Kingsley Friends,

You did it! You made our 2021-2022 school year meaningful and memorable. What's more, you made history, once again, with record contributions and volunteer support. On behalf of the Board of Trustees: thank you.

Looking back on an outstanding year and looking forward to the School's exciting future, two themes stand out: our community culture of giving and the vital role of physical spaces in fulfilling the School's promise.

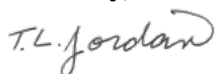

The generosity of families, faculty, staff, and friends demonstrates our shared belief in Kingsley. We never cease to be humbled and inspired by our community's high participation and aspirational investment in our students, teachers, and mission. Thank you.

Our full return to campus last year reinforced another key facet of Kingsley—the way that our location and school buildings nurture teaching, learning, and the development of lifelong connections. Situated in the vibrant heart of Boston, historic Fairfield and modern Exeter provide children, teachers, and families a welcoming haven for learning, teaching, and community connectivity.

Approaching the 85th anniversary of our School's founding, we celebrate the spirit of giving that pervades our community, and the joy we find when coming back together in our beloved school spaces.

At this turning point moment, thank you for your philanthropic partnership in fulfilling our mission.

Sincerely,

Tara Jordan P'20,'22, Chair, Board of Trustees

Danielle Frissell P'28,'29 and Jeff Lau P'28,'32
Co-Chairs, Development Committee

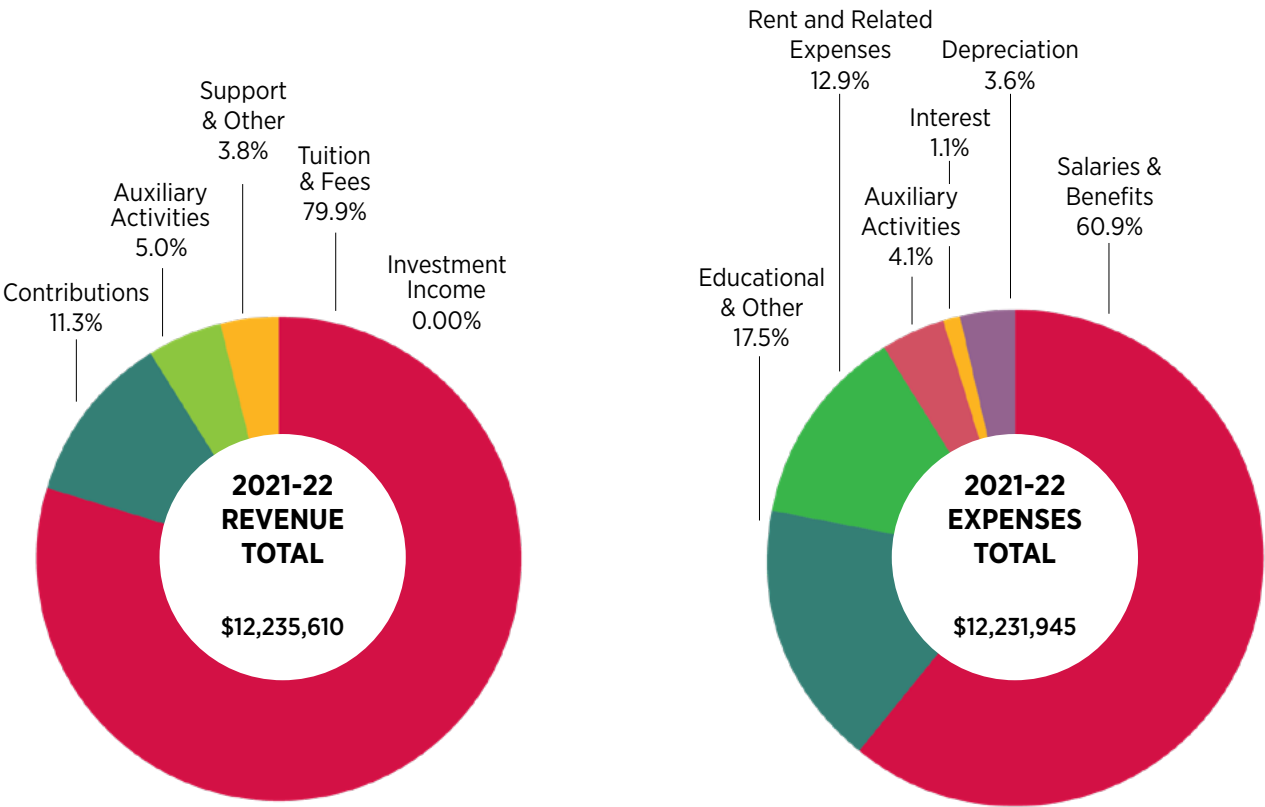

“

Almost 15 years since we started this magnificent Kingsley Montessori journey and three very curious, innovative, adaptable, happy and self-directed kids later, we couldn't be more delighted with the results. Thank you to the entire Kingsley team!

Financial Highlights

REVENUE & EXPENSES

GIFTS BY TYPE

The 2021-22 academic year was a challenge on several fronts due to the impact of the ongoing pandemic. However, Kingsley was able to maintain a balanced operating budget due in large part to the substantial fundraising support generated from our learning community.

James Bonsey, CFO/COO, Associate Head of School

The role of the Kingsley Board of Trustees is threefold: hiring, evaluating, and overseeing the Head of School; ensuring fiduciary stability; and developing strategic goals for the ongoing fulfillment of the School's mission.

New Gift Elevates Elementary Mathematics

Thanks to generous support from Dr. Christine Olsen and Mr. Robert Small, Kingsley has partnered with Lesley University's Center for Mathematics Achievement on an exciting multi-year initiative to evaluate our curriculum, recommend enhancements, and support faculty in providing our students the gold-standard in mathematics education.

Directed by Dr. Hilary Kreisberg, the Center for Mathematics Achievement supports teachers, coaches, specialists, teacher leaders, and administrators nationally and internationally to provide students access to the highest quality mathematics teaching and learning.

Working with Tara Hofherr, Director of Elementary Education and Next School Counseling, and Claire Harris, Assistant Director of Elementary Education, Dr. Kreisberg and her team have developed a strategic plan to "position students as analytical thinkers and creative problem solvers, instilling core skills students will need when they leave Kingsley." After observing our classrooms, Dr. Kreisberg noted Kingsley's nurturing environment and the "peace, comfort, and warmth" of our classrooms. This creates a distinctly good foundation for learning and growth. She says, "Kingsley students are celebrated for their identities. The teachers clearly care deeply."

Dr. Hilary Kreisberg, Director of Lesley University's Center for Mathematics Achievement, observes a Kingsley math lesson.

“Education is an ever-changing landscape. That’s what this project is about. This gift provides Kingsley the opportunity to reflect on what we’re doing, celebrate all the strengths, and be flexible enough to let our math program evolve and continue to be the best that it can be.”

Tara Hofherr, Director of Elementary and Next School Counseling

In Appreciation

RETIRING BOARD OF TRUSTEES MEMBERS

We are greatly indebted to the following individuals, whose contributions on the Board helped advance Kingsley in myriad ways. With a cumulative total of 30 years of Kingsley Board service, these friends nurtured and enhanced our mission delivery and helped us reach new heights in service to our students and families. Their insights, generosity, and dedication to our School community leaves a lasting impact. Approaching the 85th anniversary of our school's founding, we are a stronger, wiser, more compassionate, more inclusive, and more successful school community thanks to their tireless efforts.

Cindy Brown

6 Years

A member of Kingsley's Board since September 2015, and a longtime member of the Development Committee, Cindy Brown made an indelible mark on Kingsley. Through her Board service and the strong relationships she forged across our community and the City of Boston, she was integral in ensuring that Kingsley had the critical resources to deliver the highest quality teaching and learning experience. As a Board Co-Chair from September 2018 through June 2020, Cindy helped guide the school through the selection and transition of a new Head of School and was vital in that position during the first months of the pandemic. Always the first person to complete any volunteer assignment, Cindy's additional Kingsley service included serving on the Food Allergy Task Force, acting as a Class Parent, supporting Admissions, and raising funds for student financial aid via the Events Committee.

Luke Burns

5 Years

Since joining the Board in 2017, Luke worked tirelessly on behalf of Kingsley. As Building & Grounds Committee Chair, Luke led a citywide search for a temporary leased space during the pandemic, with the goal of offering all students the opportunity to return to in-person learning during the 2020-21 year. This tremendous effort required the review and assessment of 36(!) properties, ultimately resulting in the successful establishment of a third campus in the South End. Luke is a champion of Kingsley and his efforts are deeply appreciated.

Eleanor Chu

5 Years

Ellie brought warmth, wisdom, and authenticity to her role on the Board, which she joined in 2017. Via the Committee on Trustees, she helped ensure the ongoing effectiveness of our governance board. An aspirational and dedicated fundraiser, she brought her signature grace and equanimity to the role of Development Committee Co-Chair, sustaining and strengthening our philanthropy program through multiple pandemic pivots. She helped make Kingsley history in 2020-2021, overseeing the community effort to raise over \$1M in the Annual Fund to fuel critical Kingsley priorities. Her steady voice on the importance of diversity, equity, and inclusion helped shape our strategic priorities, and her commitment to consensus-building helped unite our community. A longtime Kingsley volunteer who also helped spearhead the Parent Association Food Allergy Task Force, Ellie leaves a lasting legacy at Kingsley.

Alexis Rogers

4 Years

Alexis joined the Board in September 2018 and approached her role with curiosity, sincerity, and a strategic mindset. As a Co-Chair of the Board Strategic Planning Committee, her commitment to Kingsley's future played an invaluable role in creating Kingsley's most recent strategic plan. On the Head of School Support Committee, she provided thoughtful, principled, and steady guidance. Known for "listening through the noise" to identify a mission-aligned path forward, Alexis' challenging and productive questions consistently centered on ensuring Kingsley's mission fulfillment.

Jason Weiner

10 Years

Having joined the Board in 2012, Jason played a lasting role in shaping Kingsley's mission delivery and reinforcing our shared purpose as a community. As a member of the Board during our first capital campaign, launched in 2013, he helped establish the vision to enhance Fairfield and expand our educational spaces in Exeter. This project cemented our position as a vibrant and welcoming home for learning and teaching in the heart of the Back Bay. Jason served on the Finance Committee for over a decade, providing critically important, grounded, and highly considered guidance regarding Kingsley's financial and strategic direction. Jason strengthened the focus and capacity of the Finance Committee through his dedication and high level of expertise in financial management. Jason was a trusted advisor during the 2015 Exeter expansion and COVID pandemic.

Kingsley's financial aid benefit event, Big Bites for Big Minds, was co-chaired by Danielle Baizen P'28 and Lisa Pizzi P'25, '25; produced by our Events Committee; and hosted by Chef Ken Oringer P'21, '23, and M.C. Paul Currier P'19, '19, '21, '23.

This follow-along cooking demonstration had our community mixing up savory paella via Zoom as we rallied around a meaningful cause: Kingsley student financial aid.

A socioeconomically diverse community of varied backgrounds, learning styles, and household traditions creates a healthy school environment and benefits all students and families.

Financial aid contributions allow Kingsley to welcome mission-aligned families whose students will thrive here. About 10% of Kingsley students in P4 through Grade 6 receive tuition assistance. We allocate over \$600,000 annually. This event is the sole fundraiser exclusively for financial aid.

THANK YOU to everyone who contributed to this event, and great appreciation to our friends who helped us meet (and surpass!) our fundraising goal:

Financial Aid Bash (FAB)
March 3, 2023 @St. Botolph Club

Giving Day brought the community together to close out our Annual Fund goal of \$1M. As a symbol of how the Annual Fund helps Kingsley grow, Kingsley staff and volunteers handed out flowers to students on their way into school. Donations throughout the day were celebrated by raffle giveaways of swag, chocolates, and more. Students were given wildflower seeds to plant and nurture in their windowsill or neighborhood garden—spreading joy to bloom in Boston.

After meeting our \$1M goal on Giving Day, Kingsley celebrated its success in the South End at the “Thanks a Bunch!” Reception. We toasted and thanked our generous donors and celebrated the impact they have on Kingsley.

GIVING DAY WITH THE KINGSLEY LION

GRANDFRIENDS' DAY

On May 13, 2022, Kingsley students welcomed grandparents, aunts, uncles, caregivers, and family friends to visit them in their classrooms, meet their classmates, and see ongoing work. This heart-warming tradition gives visitors insight into the Montessori classroom environment and students' day-to-day. We were so happy to see our Grandfriends on campus in person this year.

“Thank you so much for an enjoyable and educational Grandfriends' Day today. We thoroughly loved today's visit to her classroom and meeting all of you. Kudos to you all.

Kingsley Grandparent

“We are so blessed that [our granddaughter] is in such a wonderful school. Her enthusiasm for learning, pride in her work, and happiness are a joy to share. We are so grateful for your commitment to the children. My heart is smiling.

Kingsley Grandparent

“The day was nothing short of magical. We were moved to tears on multiple occasions. [Our students] were positively beaming with pride yesterday. Thank you, thank you, thank you so very much for all you did to ensure the day was an overwhelming success.

CONGRATULATIONS, KINGSLEY GRADUATES

WELCOME BACK Alumni

On June 2, 2022, Kingsley hosted its first on-campus Alumni Reunion in many years. More than 80 alumni converged on our Exeter Community Space to reconnect with peers and teachers, reminisce about their Kingsley years, and “craft” new memories with our Arts faculty. Sixth Grade students, our rising alumni, and beloved teachers joined in the fun.

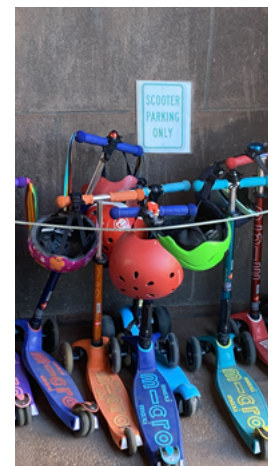

Judging by the warm embraces, loud laughter, and empty pizza boxes—this event was a smashing success. We are so proud of all our Kingsley graduates and look forward to hearing each exciting update as they progress through their unique educational journeys.
